# March 24 - Trump Binds America to Genocide & War

March 24, 2025

Please send links and comments to [hmakow@gmail.com](mailto:hmakow@gmail.com)

**To prevent America being eaten alive by Commie termites, the US is forced to embrace genocide and world war.**

**Humanity is caught between two wings of Jewish Freemasonry: a Commie Jew rock and a Zionist Jew hard place. Flunkie Gentile Freemasonry fronts this treason.**

**Trump belongs to Chabad, a Jewish doomsday cult that believes the Messiah will return when Christians are exterminated. Wonder why the Demonrats never mention this? They are two sides of the same satanist Rothschild coin.**

**Gordon Duff-Satanic Mass Murder in Gaza and the End of Jewish History**

**<https://vtforeignpolicy.com/2025/03/occult-mass-murder-in-gaza-and-the-end-of-jewish-history/>**

"If this is what "Jewish history" has become, then let the record show: the true Hebrews were buried in Gaza. And what rose in their place is an empire of lies. But every empire falls.

A Manufactured People--Western journalists, drunk on Zionist mythology, cannot say what they know: the majority of those who now drop bombs on children in Rafah are not the genetic or spiritual descendants of the Hebrews. As shown in your own files -- "Fabricated Histories," "Greatness and Controversy" (TID REAL HISTORY) -- the Ashkenazi elite are the descendants of converted Khazar aristocracy, an empire of mercantile warriors whose adoption of Judaism was never religious but geopolitical. They are Germanic-Turkic in blood, not Semitic. Their homeland was never Judea. It was the Volga steppe.

Zionism was never about return. It was about conquest, dressed in scripture. And now, with Gaza in ruins and Lebanon next on the altar,

the mask is off."

## Erdogan Jails Top Political Rival As Protests Sweep Across Turkey

<https://www.zerohedge.com/markets/erdogan-jails-top-political-rival-suspends-imamoglu-istanbul-mayor-protests-sweep-across>

"Turkey descent into full-blown banana republic status continued on Sunday morning, when the country's police formally arrested President Recep Tayyip Erdogan's main political rival, a decision that will trigger even more market turmoil and protests across the country. Ekrem Imamoglu, Istanbul's mayor, was jailed on corruption charges days after being detained by police; he was also officially suspended as mayor of Istanbul, sparking an unprecedented political crisis in Turkey which may urgently require another fake coup by Erdogan as he slowly loses control."

Gates wrote that men in the experiment showed flu-like symptoms, including cough, vomiting and diarrhea, after receiving the vaccine. These symptoms are a disaster for men living in barracks, traveling on trains to the Atlantic Coast, sailing to Europe and living and fighting in trenches.

Then, shortly before breakfast on Monday, March 11, came the commencement of the first wave of the 1918 so-called influenza. By noon, camp surgeon Edward R. Schreiner had over 100 sick men on his hands, all apparently "suffering from the same malady."

The Department of Health and Human Services (HHS) has slashed over \$350 million of spending earmarked for woke projects, including Diversity, Equity, and Inclusion (DEI) policies. Overall, around 500 research grants are affected, which range from studying "gender-affirming hormone therapy in mice" to "microaggressions." HHS spokesman Andrew Nixon commented on the cuts, saying, "The terminated research grants are simply wasteful in studying things that do not pertain to Americans' health to any significant degree, including DEI and gender ideology. As we begin to Make America Healthy Again, it's important to prioritize research that directly affects the health of Americans."

## Romantic Love is a Satanic Hoax

*We get most of our information about life from Hollywood. Most of it is bogus.*

**Imagine if all those sappy love songs were hymns celebrating God?  
What a different world this**

would be. Guess who controls the music industry.

Romantic love is a *fake religion* promoted by Satanists

to substitute love for a

flawed and ultimately dull human being  
for love of the God (Perfection, Bliss) within our own soul.

All love is really love of God. (We are in love with love. God is Love.)

All true religion is love (worship, obedience) of God.

Everything else is a satanist deceit

Van Morrison proves that great music can be written about love of God.

*When will I learn to live in God?*  
*Whenever God Shines His Light*

*Update from May 8, 2022*

by Henry Makow Ph.D

**I am 75 and have been married 24 years.** Like most of you, I was inducted into a cult-ure that substitutes romantic love and sex for religion. Sex is mostly a physical and psychological function. Romance is usually a delusion based on lust. **The Bible was right! Women and sex usually are traps for men!** The female game is to get pregnant and have a man support them. Men are just ATM's. Marriage used to be a young woman's goal. Now divorce is their goal. Feminism is a depopulation program aimed at undermining marriage and family.

**God is the principle of our moral development. If you don't believe in God, you don't believe in yourSelf.**

**We live in a society that is besotted with beautiful women and sex. This fetish substitutes for religion. Sex and romance are sold as a way of achieving unity with God. The orgasm is the Holy Sacrament. This is Satanism.**

The mystification of sex and women (**sex Goddess programming**) makes men impotent. Men are too weak to approach and enlist women who have been taught to be "strong and independent." E.g. Leslie Gore's "*You don't own me*" and Linda Ronstadt "*Different Drum*."

This combination of idealizing women and emasculating men has led to heterosexual breakdown, e.g. Illuminati social engineering. Femininity is based on trading power for male power in the form of love. **Real love is based on mutual dependence and trust, not sexual desire.**

People scoff when I say *Western society is a satanic cult*. However, the proof is obvious. The word "God" is banned from mainstream public discourse. In fact, we are repulsed at His mere mention. Our minds shut down. We become angry. We have been brainwashed to hate God and don't even know it.

If I were wrong, God would be on our lips. After all, He is the Creative Intelligence behind life. He has Instructions for us. We should be celebrating Him and discussing His Plan.

We can't mention Him because Cabalist central bankers have their own Plan. They want to be God themselves. Their entertainment is social engineering. This is why we have love songs to vacuous women instead of hymns to God.

**Updated from Nov 16, 2021**

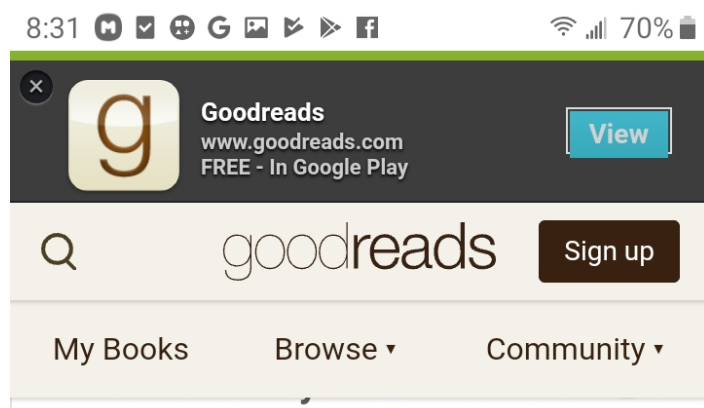

*Our Love Affair with God* (Revised)

**by Henry Makow PhD**

**While making a spaghetti sauce**, I put on a collection of old Paul Anka hits.

Listening to the lyrics, it struck me: *If you imagine the love object is God, instead of some empty-headed girl with regular features, there's little difference between popular love songs and religious hymns, prayers and chants.*

We are all pilgrims and God (Love) is our Mecca.

“ I detest love lyrics. I think one of the causes of bad mental health in the United States is that people have been raised on 'love lyrics'.

You're a young kid and you hear all those 'love lyrics', right? Your parents aren't telling you the truth about love, and you can't really learn about it in school. You're getting the bulk of your 'behaviour norms' mapped out for you in the lyrics to some dumb fucking love song. It's a subconscious training that creates desire for an imaginary situation which will never exist for you. People who buy into that mythology go through life feeling that they got cheated out of something.

(Left, Frank Zappa)

I don't have to tell you that 97 percent of all popular songs are love songs. A visitor from another planet would conclude that our religion is romantic love. Francis Yockey called it "erotomania."

But instead of recognizing the real object of our desire, we have fixated on the opposite sex, whom we mystify and idealize to reflect our true sublimated desire.

I am not a Jungian, but I agree with Carl Jung's statement: "If you take away God, man will invent a thousand false ones."

They have taken away God. You can't mention the word in polite company. As if, given the magnificence of the universe

and the complexity of the natural world, the concept of a Creator and a Design is so outlandish that it must be banned.

The people who want to replace God (with themselves) are responsible for our inability to mention or imagine God when it is so simple.

God is synonymous with our spiritual ideals and desires: truth, beauty, love, peace, bliss, justice, and harmony. So don't blame God for letting bad things happen to good people. Bad people are responsible,

the same people who abolished God.

We are God's agents. If we don't bring about his Kingdom, it won't happen. Eventually, we'll all become extinct.

## GETTING BACK TO LOVE SONGS

Next time you hear a love song, imagine it's about God. You will be surprised how well it fits.

*"I love you with all my heart, we'll never part, please stay with me... (God)."*

*"I'm so alone. All I want is somebody to love"*

*"Show me, you love me too."*

*"I'm so lonely; I'm so blue, now that you're gone."*

These lyrics remind me of Christian, Muslim and Hindu mystics pining away for Divine Grace.

We're religious zealots, just like them. All that's missing are the white robes. We don't pray five times a day. We listen to these prayers 50-100 times a day.

But we've taken a wrong turn. Instead of recognizing the true object of our desire, we are focused on the opposite sex. We are looking for a person to play the role of God.

Frankly, we've been misdirected. (Think who runs the music and movie business.) And, of course, lust is a confounding factor ...

*(Every slut demeans all women.)*

## CONCLUSION

If we could just begin with the knowledge that God loves us, then we wouldn't have this desperate misguided need "for love" expressed in love songs.

"God loves you very much (your name here.)" And you love God for the precious gift of life...for the miracle of Creation.

We're never alone. God is our constant companion, a warm, glowing love at the centre of our being. Our primary relationship is with Him.

**First Comment by V, on the effect of turning women from wives and mothers into sex objects -**

**From a female perspective**, you've no idea how odious it was to be spoken about in the 3rd person by two men you are among who were blithely assessing your sexual merits right in front of you - this as a teen in the '60s. The constant comments about one's body, waist size, bust, frigidity or sexuality, type of clothes, makeup, hairstyle, etc. was nauseating. One was compared to the celluloid starlets & found short as well as with centerfolds & found insufficient - & this from Neanderthals. That the success of feminism followed all this is no surprise. (I was just for liberation, which was justice & totally resented the bunny thing. How men are into such cheap superficiality is beyond me.)

Maybe factor all this in your calculations about that movement and what women 'should' be for you & other men. Imagine if you, for e.g., were told you needed to look & act like Sean Connery, have the dance skills & charm of Fred Astaire, have the beguiling gentleness of Gary Cooper, the cooking skills of Escoffier, the abilities of McGuiver & the wealth of Midas all in one. And, of course, your hair & pants (skirt) length are never quite right & then there's that 10 lbs. always needed to be lost, plus more sit ups, etc. You would go mad. And all this for a meaningless 3 min. hump!

Some food for thought, Henry, from the other side. Anyway, it all rather ruined my life b/c I did seek spiritual love & a partnership of souls thru life, but men were oblivious to that then. Best, V

## John Coleman - Globalists Want You Dead

March 23, 2025

**"The many tragic and explosive events of the 20th century did not just happen by themselves; but were planned according to a well laid out blueprint based upon the occult.**

**Those who believe that devil worship, demons and witchcraft have vanished from modern society, are misinformed."**

**In his 1992 lecture,** MI-6 whistleblower John Coleman says Free Trade is akin to globalism (i.e. Communism.) It destroys domestic production. This explains Trump's nationalistic (Zionist) policy. Communism destroys the goyim through subversion (i.e. plandemics, gender dysphoria, woke BS.) Zionism destroys the goyim through war. Coleman also claims AIDS, like COVID, was a deliberate depopulation program caused by "vaccines."

**Dr. John Coleman, The Club of Rome, The Satanic Transhumanist Agenda and How the Elites Protect Themselves from Plagues They Start**

**By Dr. Ana Maria Mihalcea**  
**(Abridged by henrymakow.com)**

**It emerged very clearly from Club of Rome meetings that its main purpose** and objective was to: retard industrial development;  
hold back scientific research;  
depopulate cities, especially the formerly industrialized cities of North America;  
move population to rural areas;  
cull the population of the world by at least 2 billion people;  
prevent reorganization of political forces who oppose COR plans;  
destabilize the United States through massive layoffs and loss of jobs and class and racial wars;  
and, destroy capital incentive through high interest rates and high capital gains taxes.

(Mark  
Carnage  
is  
Maurice

*world will be for  
industrial civilization  
to collapse."*

*Maurice Strong*

*Strong*

*resuscitated)*

With the destruction of industry, would come the destruction of all of our basic morals, our basic beliefs in God and country, our Christian-based culture, which will lead swiftly to the return to the world of an occult theocracy of the new dark ages. COR high-priest Harmon said: ". . . nineteen images of man dominate various epochs, and from each he extracts such features he believes useful for replacing the industrial technological image, programs the COR and the Committee hope to emulate and which will turn the people of the world -- those that are left as mindless slaves after the culling of Global 2000 has occurred, in a New Dark Age -- the so-called New World Order." [pg.44]

The COR laid out a scenario that is in direct contradiction with God's law, which says that we must be fruitful, and multiply and subdue the Earth, not for the benefit of the COR and the Committee of 300, but for the freedom of our people in the United States and others who choose to respect their national identities.

The Luciferians, members of the Cult of Dionysus, the "Olympians" - they say, "No, we were placed here to rule the Earth and we alone shall enjoy its benefits."

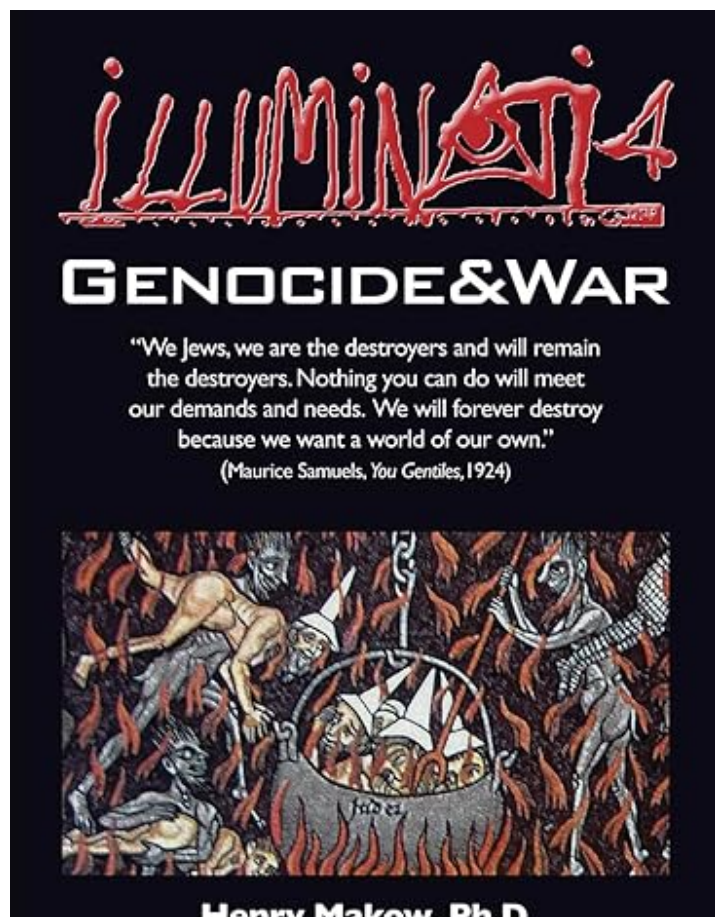

**"We must change the industrial technological image of man fast. Our analyses of the nature of contemporary society problems leads to the conclusion that the images of many that dominated the last two centuries will be inadequate for the post-industrial era. The image of man appropriate to that new world (not new - the concept, a Satanic one, is four thousand years old) must be sought, synthesized and then wired into mankind's brains."  
[Emphasis our own] [pg.43]**

In his video presentation at 40 minutes, Coleman discussed that Robert Strange McNamara had a conference with the world's leading bankers and stated: "The biggest menace facing the world today is the American middle class and overpopulation." He further discusses the genocidal plan to get rid of the "unwashed."

What he discusses is applicable today, 50 years later: "That is why we had the sudden appearance of AIDS. There were chemical and bacteriological warfare experiments ongoing in Sierra Leone, Africa. They used Lassa fever virus for biological warfare purposes to get rid of millions of people in the world.

They took the viruses back to the CDC. The same experiments were going on at Harvard. The Government gave millions of dollars to Fort Detrick where they did all the laboratory work on AIDS. They inserted AIDS into the small pox vaccine and vaccinated people in Africa and Brazil, hence starting the AIDS epidemic.

Lives were in jeopardy from scores of man-made viruses like HIV and Ebola Fever.

*(Left, Satanists start wars and pandemics to disguise their genocidal objective. They want to exterminate all non-Satanists, i.e. goyim.)*

The elites protect themselves with herbal compounds mixed with sugar and the protection of low frequency radiation. Using the technology developed by the virologist Gurtjev who proved that every living thing has a vibratory cycle. He was able to measure the vibratory cycle of deadly viruses. By vibrating them double their cycle you would

kill them instantly. That is one of the defensive weapons they got that will kill the plague if

they ever get it. The same technique will kill cancer cells. The medical profession run by the Rockefellers and pharmaceutical companies did not want you to know this.

"I sat down with Jewish Charity leader, Cecily Routman, who received intel directly from her Israeli Rabbi and other top level government sources. While I do not agree with equating the Palestinians to "rabid dogs", I understand why Israel wanted Gaza completely wiped from the face of the earth- they only needed a reason to do so, or else the UN would have intervened due to the war crimes and genocide.

It wouldn't be the first time a nation's leaders sacrificed their own citizens to start a war.

Maybe it really is Israel's 9/11."

Doubtless that he as head of Shin Bet ran the various cells of Mistaarvim spies embedded in Gaza that not only provided Israel with 'eyes only' intelligence concerning the impending attacks, but as well, engaged in various acts of terrorism that day that have become part of the 'lyric and lore' of what is said to have happened that day viz rapes, beheaded babies, children thrown into ovens, etc, etc, etc, and as such, has plenty of blood on his hands as well.

The one possible explanation as to why he would turn against Netanyahu and support the 'state commission of inquiry' that Netanyahu cites as his reason for dismissing Bar is that Bar has 'cut a deal' to provide state's evidence AGAINST NETANYAHU in return for immunity."

The Temple Mount--where the new temple would need to be built--is already occupied by the Al-Aqsa Mosque and Dome of the Rock. Any move to reclaim the site could lead to massive regional unrest, as tensions between Israelis and Palestinians have already reached boiling points.

Palestinian groups have taken sharp notice of the red heifer preparations. Hamas, in a recent speech, explicitly referenced the arrival of the red heifers as part of a larger Jewish plan to reshape Jerusalem.

"MacDonald describes Judaism as an "evolutionary group strategy", which he claims increases the Jews' ability to outcompete non-Jews in the struggle for resources. With a pronounced degree of Jewish ethnocentrism, he argues that Judaism fosters a number of distinctive genetic traits in Jews, including an above-average verbal intelligence and a strong tendency towards collectivist behavior that ensures optimal management of their group interests, a significant part of which has been the dissolution and degradation of Western ethnic and cultural self-awareness. This is expressed, among other things, in a number of influential intellectual movements that have been a necessary prerequisite for breaking down the ethnic and cultural cohesion of the West. MacDonald recognizes, of course, that not all Jews exhibit the traits he identifies. These are general patterns of behavior."

# Masonic Jews are Their Own God ("Egregore")

*left, The Rothschild banking cartel is the sinister force behind modern dysfunction*

**Does the "egregore" explain**

**the mysterious affinity**

**shared by Illuminati (Satanist) Jews?**

**They are their own God or "Egregore."**

**They want us to worship them.**

**This "egregore" is Lucifer, and elite Jews have made him**

**the master *meme* of the New World Order.**

**People who usurp the role of God are Satanists.**

(Revised from Feb. 16, 2007)

**By Henry Makow PhD**

**The Soviets razed thousands of churches** but spared synagogues.

If Communists considered religion "the opium of the masses," why didn't they include Judaism?

Do Christians and Jews worship the same God? Is there an affinity between Communism and Judaism?

A reader, "George," knew the heiress of a rich Jewish banking family "not the Rothschilds, although her family lived in a palace neighbouring the Rothschilds."

***"Leah was one of my classmates in the Geneva University (Switzerland) where I was studying psychology ...She was an attractive blue-eyed blond lady. ...As she was wearing a Star of David, I asked if she was a believer. She answered "yes and no" and added that she believed in a god of the Jews who was serving the Jews rather than served by them. I immediately asked whether she was speaking of an egregore ...Her only response was "yes" and she broke that conversation. Never again did we mention the subject."***

According to Wikipedia, "egregore" is an occult concept representing a "thought form" or "collective group mind", an autonomous psychic entity made up of, and influencing, the thoughts of a group of people. The symbiotic relationship between an egregore and its group has been

compared to the more recent, non-occult concepts of the corporation (as a legal entity) and the meme."

George speculates that elite Jews created the Jewish God as their "egregore," i.e. an instrument of their collective will, i.e. their desire to vanquish the heathens and rule supreme.

*"Could it be possible that the ancient Levite priests found a way to create a supernatural entity from the collective mind of the tribe of Judah? An entity born from a collective mind the Levites were shaping into self-isolationism and segregationist a.k.a, extreme ethno-centrism? ...An entity designed to help the "chosen people" destroy the "alien" nations and provide it with material rewards? An entity resulting from the black magic of the Levite priests who, as the first indoctrinated atheists, were denying the universal God of Moses because they didn't want to submit to a "Lord and Master" but rather become themselves "Lords and Masters" through their slavish "egregorious" god?"*

**This "egregore" is Lucifer, and elite Jews have made him the master *meme* of the New World Order. The elite Jews are the "Communist Capitalist International", the intermarried German Jewish**

banking families who, according to Christian Rakovsky include the Rothschilds, Warburgs, Schiffs and many others.

They have also intermarried with the corrupt gentile elites of Europe and America, many of whom think they

are Jews.

## THE DEPRAVED SPIRIT OF OUR AGE

Since the Jewish egregore is also behind the New World Order, only the "believers" are human; everyone else is an animal to be exploited and/or slaughtered.

**Nicholas Lysson, [in his brilliant article](#) on the Ukrainian Holocaust, provides examples of this "us-vs-them" thinking in the Talmud and the Old Testament. For example: Isaiah 60:12 (" . . .The nation and kingdom that will not serve [Israel] shall perish; yea, those nations shall be utterly wasted" ); Isaiah 61:5-6 (" . . .Strangers shall stand and feed your flocks. . . : Ye shall eat the riches of the Gentiles. . .")**

Lysson continues: "The ethnocentric hostility of the Jews--consistently commented on by the peoples who have encountered them over the millennia--can be traced ultimately to the origins of Judaism as set forth in the Torah, e.g., Genesis 9:25 ("Cursed be Canaan; a servant of servants shall he be unto his brethren");

Exodus 17:14-16 and 34:12-13 ; Numbers 24:8 ("God. . . shall eat up the nations his enemies, and shall break their bones, and pierce them through with his arrows"), 25:6-13 (wherein God commends Phineas for his initiative in running a javelin through both parties to a marriage of Jew and gentile), 31:7-19 and 33:50-56; and Deuteronomy 2:33-35 ("[on God's command] we. . . utterly destroyed the men, and the women, and the little ones, of every city, we left none to remain"), 3:4-7, 7:1-5 ("thou shalt. . . utterly destroy them"), 7:14-26 ("thine

eye shall have no pity"), 20:10-17 ("thou shalt save alive nothing that breatheth".)

## "ANTI SEMITISM"

It doesn't take a genius to recognize that this "egregore" is the cause of anti-Semitism. Jewish leaders use anti-Semitism to manipulate Jews who are taught they are reviled for no reason. The real reasons for anti-Semitism are hidden.

As Nicholas Lysson points out, the most damning passages of the Talmud are toned down or not translated. Information about the "Arendar" system is suppressed. This system caused the massacre of perhaps 250,000 Jews by the Ukrainian Cossack Bohdan Khmelnytsky in 1648-1654:

*"The Jews at the time of the massacres were serving the Polish szlachta (nobility) and Roman Catholic clergy on*

*their Ukrainian latifundia as arendars--toll-, rent- and tax-farmers, enforcers of corvee obligations, licensees of feudal monopolies (e.g., on banking, milling, storekeeping, and distillation and sale of alcohol), and as anti-Christian scourges who even collected tithes at the doors of the peasants' Greek Orthodox churches and exacted fees to open those doors for weddings, christenings and funerals. They had life and death powers over the local population (the typical form of execution being impalement), and no law above them to which that population had recourse... the arendars leased estates for terms of only two or three years and had every incentive to wring the peasants mercilessly, without regard to long-term consequences."*

Jews are still told that these pogroms were due to gratuitous hatred. Thus the egregore dynamic is perpetuated as ordinary Jews support Zionist policies. For example, they lobby for war with Iran, regardless of the disastrous consequences for humanity.

(For this form of manipulation, also used to control Americans, See ["The Zionist Roots of the War on Terror"](#) and ["The Zionist Protection Racket"](#))

In the above-mentioned essay, Nicholas Lysson discusses how the Jewish leadership actively provoke anti-Semitism because it is indispensable for Jewish cohesion and survival. **Are they saying that, without its "egregore" i.e. its predatory agenda, Jews would have no corporate *raison d'être*?** Of course this secret is kept from the rank-and-file, as in Freemasonry which [Rakowsky said](#) is designed to bring about "the triumph of Communism."

## THE COMMUNIST EGREGORE

The greatest mass slaughter in history was not the Jewish holocaust but the Ukrainian Holodomor. By Stalin's own estimate, ten million Ukrainians died, mostly at the hands of Bolshevik Jews.

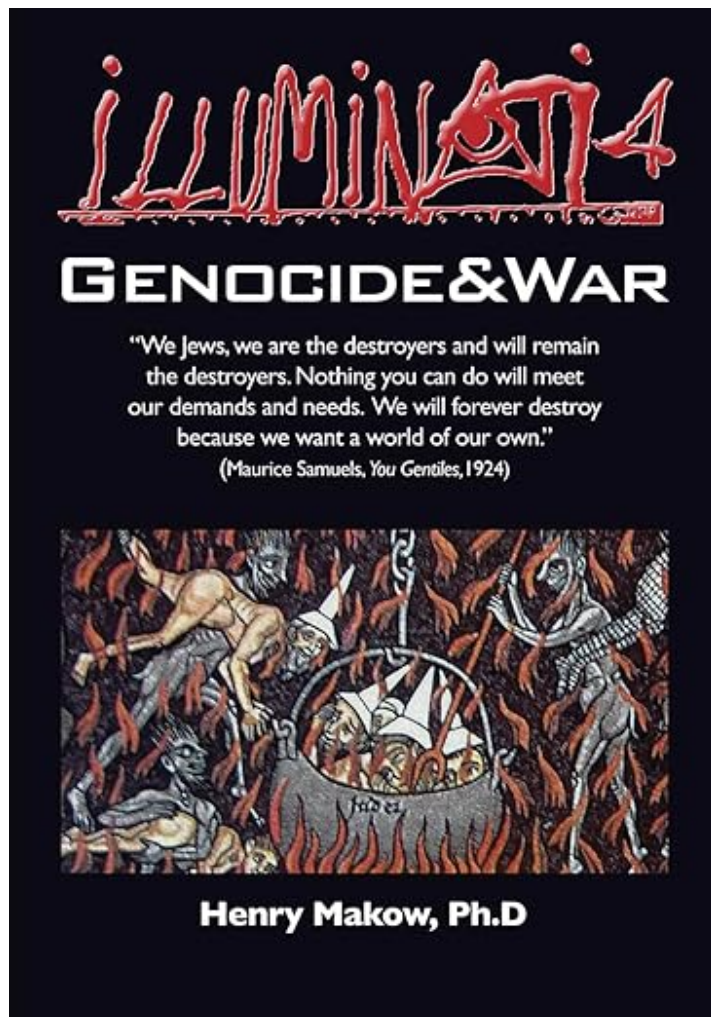

Lysson's account suggests that this was the result of a centuries-long feud in which Jews failed to accept their common humanity with non-Jews. This continues as the murderous record of the 20th century is overshadowed by Jewish losses, as if only Jews were human.

The Holodomor took place because the Bolsheviks confiscated all the grain. Lysson writes: "A quarter of the rural population, men, women and children, lay dead or dying in a great stretch of territory with some forty million inhabitants, like one vast Belsen. The rest, in various stages of debilitation, had no strength to bury their families or neighbours. [As at Belsen] well-fed squads of police or party officials supervised the victims."

The extermination of the Ukrainian Kulaks was directed from the Kremlin where the Bolshevik leadership lived in family apartments and maintained a fraternal atmosphere suffused by collectivist idealism i.e. their egregore. This is how historian Simon Sebag Montefiore, the scion of a British elite Jewish family, describes the scene during the Holomodor. Of course he doesn't mention that most of the main players were Jews.

**"The Party was almost a family business. Whole clans were members of the leadership... This pitiless fraternity lived in a sleepless frenzy of excitement and**

activity, driven by adrenalin and conviction. *Regarding themselves like God on the first day, they were creating a new world in a red-hot frenzy... " (Stalin: The Court of the Red Tsar, p. 40, 45, emphasis mine)*

(left, the goal is to exterminate all who reject their divinity. i.e. non Satanists)

## CONCLUSION

The Soviets didn't raze synagogues because Communism was an expression of the Jewish "egregore." Christians and Jews apparently do not worship the same God. The Christian God represented by Jesus is universal love and brotherhood. The Jewish

God has been supplanted by a Cabalistic egregore that "serves" elite Jews. It represents their ruthless sociopathic urge for world dominion. The same egregore--the desire to supplant God-- animates the New World Order.

The average Communist Jew or non-Jew was an idealistic dupe. Marxism, equality etc. were just window dressing to hide the real agenda: the destruction of race, religion, family and nation; the accumulation of all wealth and the enslavement of mankind. The methods have changed but the agenda has not.

The average Zionist is also an idealistic dupe. As many now realize, "the Jewish Homeland" was simply a step toward world government, "an incident in a far reaching plan" to use banker Louis Marshall's words. The goal of this plan is to enslave humanity mentally if not physically. Christian Zionists are the biggest dupes of all.

The same ersatz idealism infuses the world government movement, which is full of pious opportunists who have sold their heritage for a seat at the globalist table.

In many cases, the charge of "anti Semitism" and "hate" are devious attempts to outlaw opposition to tyranny. Let's not kid ourselves. We are facing a diabolical Evil, ruthless, vicious and cunning as well. Jews and non-Jews must join hands to banish Lucifer and declare that only God is God, He is Moral and we serve *Him*.

"This week, Israelis woke up to war again, but this time not to the Hamas surprise attack of October 7 but to a conscious decision by their government to restart fighting, against the will of the popular majority, which consistently favors an end to the war and the return of all the hostages. This same week, the Netanyahu government

intensified its battles on two other fronts as well: its war on Israeli democracy, and its war on Diaspora Jews.

"Prime Minister Netanyahu is baldly exhibiting his 'vision' for the character of his own regime and the principles that govern the Israeli state's behavior at home and abroad. It is a vision that is genuinely revolutionary, in that it rips up and shreds into confetti most of the fundamental values and social contracts that bind the state to its citizens, and the state to the Jewish people outside its borders."

## **The Iran War Plan**

**Pentagon gears up for "major" war with Iran by Ken Klippenstein**

<https://www.kenklippenstein.com/p/the-iran-war-plan>

President Trump's menu of options for dealing with Tehran now includes one he didn't have in his first term: full-scale war.

Pentagon and company contracting documents I've obtained describe "a unique joint staff planning" effort underway in Washington and in the Middle East to refine the next generation of "a major regional conflict" with Iran. The new planning effort, sometimes referred to as the SEED project, covers everything from subtle tools like military deception right up to the rather less subtle use of nuclear weapons. The plans are the result of a reassessment of Iran's military capabilities, as well as a fundamental shift in how America conducts war.

Though many in the media incorrectly dismissed the recent U.S. attack on the Houthis in Yemen as little more than a continuation of what the Biden administration was already doing, the new Iran war preparations make clear that the U.S. is exploring a far more aggressive approach. Following his successful assassination of Iran's top general Qassim Suleimani in 2020, Donald Trump seems to have taken the lesson that aggressive action is relatively cost-free.

The Pentagon, meanwhile, has watched Iran develop into a major missile and drone power over the past decade. Hardly anyone

believes any longer that Iran is interested in any kind of ground invasion of its neighbors (the previous planning assumption). Iran's nuclear program is also no longer the Pentagon's highest concern. The "war" in many ways is already here, the combination of narrow, pin-prick attacks by proxies, Iran's various covert and influence campaigns, and its use and proliferation of long-range drones and missiles, especially to Russia.

The United States already operates under what amounts to a CBDC through a digital control grid: 92% of all US dollars exist only as entries in databases; your transactions are monitored by government agencies--without warrants; and your access to money can be revoked at any time with a keystroke.

While President Trump's Executive Order 14178 explicitly banned the Federal Reserve from developing a CBDC, his administration has simultaneously championed the STABLE Act and GENIUS Act stablecoin bills that implement the same control mechanisms through different channels."

"I live in a small country and it seems as if a dark cloud is above us. People seem much more weaker in general than before. Chronic illnesses are at an all time high. Sudden deaths are at an all time high for people below 50 and 40 years. Especially from heart attacks. It seems like every week, someone that seemed perfectly healthy is passing. During the pandemic, everyone had to get vaxed. There was no other option. Many students that study abroad live here and travel was not possible without it. The crazy part is very few people actually got Covid and had serious symptoms compared to America where people seemed to be dying everyday from it. I am sure many wouldn't take it if they knew the reality..

"My friend (49M) was a superintendent for a county. He was basically forced to take it because all of the employees that he managed looked up to him. They told him if he got that vaccine, it would show the others it was OK to get it. And if not, then they would have to find someone to put in his place that would. 6 months later, he was diagnosed with a heart problem. He had to have surgery and take an early retirement. My mother was diagnosed with brain cancer 1 year later. 4 friends all died of blood clots in the left leg. 38, 45, 48 and 60 were their ages. I know I'm leaving out others, but this is just off the top of my head.

## Cheating in Early Votes is Off the Charts

Wisconsin mail-in ballots. Notice how you can't select Trump...

Share this 🗳️ Virginia Voter shows Polling Station has the letter "I" in Donald Trump's name

They have it spelled "Donald J. Triump"

Why do these "glitches" / issues never happen with Democrats? Someone at the GOP needs to do something about this!

**ALERT:** Double-check your ballot to ensure Donald Trump's name is spelled correctly; otherwise, it might be flagged as an error by the voting machines.

The Democrats seem to be using every trick in the book to influence this election, with mainstream media working to cover for them.

Report problems: [votealert.org](https://votealert.org)

VALID BALLOT

This was a voter in Virginia 4

Here we are, only two weeks into early voting to select the next president, and already the cheating is off the charts.

**By Mike Stone**  
(henrymakow.com)

**Ballots in Wisconsin, Virginia, and other states** have either obscured or purposely misspelled Donald Trump's name. Is that to make those ballots unreadable by the rigged voting machines? Are they fake ballots?

Three counties in Pennsylvania have been busted for fraudulent mail ballot request forms. And those are just the ones who have been caught. <https://www.thegatewaypundit.com/2024/10/third-county-pennsylvania-finds-fraudulent-mail-ballot-request/>

In other parts of Pennsylvania, American citizens, waiting in line for hours to vote, have been forced to watch as van loads of non-English speaking illegal aliens are escorted inside of the polling precinct ahead of them to cast their own votes.

<https://www.thegatewaypundit.com/2024/10/frustration-boils-as-pennsylvania-voters-witness-non-english/>

Voting lines in Republican counties have been shut down early:

<https://www.thegatewaypundit.com/2024/10/voter-suppression-bucks-county-emergency-services-shuts-down/>

A Pennsylvania GOP committeewoman was handcuffed and arrested for telling frustrated citizens to stay in line and vote:

<https://www.thegatewaypundit.com/2024/10/breaking-pennsylvania-gop-committeewoman-taken-away-handcuffs-encouraging/>

And an ABC news station aired a "test result"

showing Harris winning Pennsylvania by a margin of 52%-47%:

<https://www.thegatewaypundit.com/2024/10/interesting-timing-local-abc-news-station-mistakenly-leaks/>

Jerome Corsi writes that the Georgia State Board of Elections creates illegal voter IDs by the thousands:

[https://www.americanthinker.com/articles/2024/10/does\\_georgia\\_s\\_algorithm\\_create\\_fake\\_voters](https://www.americanthinker.com/articles/2024/10/does_georgia_s_algorithm_create_fake_voters)

In Texas, half-a-dozen arrests have already taken place for people charged with "vote flipping," while "ballot mules" in Pennsylvania have also been arrested.

And bear in mind, this is just the opening salvo.

Cheating is the only way the Democrats can win. They know it. We know it. They know that we know it. Yet they continue to do it, in part, because they know the American people will take it. And because they just can't help themselves. Cheating, lying, and stealing elections is in their nature. Remember the story of the scorpion and the frog?

Democrats are especially prone to cheat in this election, because Donald Trump is leading in every poll, and not by a little, but by a lot. Add "Garbagegate" and Trump working the fry cooker at McDonald's to the mix and the Dems are in full-out panic mode.

**Who's ultimately behind all the cheating? In this five minute video, an Israeli company brags about rigging presidential elections for money. They are only one team out of many doing this. <https://x.com/i/web/status/1851356742044491854>**

How many of these companies have been hired to help steal the 2024 presidential election?

Get your popcorn ready. You ain't seen nothing yet.

### **Martin Armstrong - the UN's Goal is Communist Tyranny 17.8. 2024**

#### **Reply from Savvy Granny**

Well it certainly is.

However, the UN is just the transitional decoy, the bogey 'supranational order' (Protocols of Zion 5.11). Its task is masonry, that is building the international entity which will complete the projected world order. And its task is destruction - the global depop, the destruction of nations through its climate dicta, immigration dicta, PHEICdemics, bioweapons, overseeing the communist tyranny of its regime-changed member nations.

The completed world order will be the Judaic Anti-Christ World Soviet (JAWS) under Noachide Law with all the 'smart gay masons' executed - the ones who were instrumental in the bogey 5.11. They got the Jubela, Jubelo, Jubelum script in the destruction.

*Remember the French Revolution, [which alone we call 'Great' in some translations]for the secrets of its preparation are well known to us. It was entirely the work of our hands. (Protocols of Sion III.14)*

The Supreme Soviet may have been dissolved Dec 1991, so it is no longer the base of the Great Revolution - the permanent world-wide revolution [now in its global, communist totalitarian phase].

Before it was dissolved the Supreme Soviet elected Gorbachev to its praesidium and he promptly took up residence at the Praesidio in San Francisco as the supremo of the UN - the one who dictates to the Secretary General. Under the Gorbachev Praesidium, UN Agenda 21 was adopted 1992 and he also founded the Earth Charter Commission with Maurice Strong 1997. The EC was founded 2000 for the destruction of the Western societies and economies .

**The Khazarian dynastic families of the Central Banking Cartel [the owners of this Money Trust] own the Revolution, own the UN and all its multi-lateral partners as well as the manufactured billionaires which are both Zionist (Western) and Communist (Eastern Bloc) assets of the Revolution.**

The WEF founded by Schwab 1971 officially with Henry Kissinger (unofficially). Its counterpart for the JAWS Eurasian Agenda is the SPIEF founded by Henry Kissinger (unofficially) 1997. The SPIEF was instrumental in establishing the Eurasian Economic Union for the Communist / Islamic Bloc 2014. Along with the EU(ssr) and the Global Preparedness Monitoring Board - these are the chief 'multi-lateral' partners of the UN which handle its international operations over the captured / subverted member nations to serve UN Agenda and Earth Charter Dicta.

Is this behind Ukraine-Russia war?

**destruction.**  
Ukrainians would think they are fighting against expansionist Russia, struggling for independence.

Ukrainians will become fully subdued by us. The same will be thought by Russians, as though they defend their national interests.

These lands are ancient Jewish Khazaria, that is Israel. Slavs are temporary guests and subject to eviction. We will build the Great Khazaria - the Jewish state - on these fertile lands the same way as we created Israel, squeezing Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out."

The Khazarian Empire existed for several centuries until Russian Prince Svyatoslav in year 965 took both their City and their White Temple.

Organized Jewry declares war on humanity and then tries to ban the hatred it engenders.

"No Rothschild is English. No Baruch, Morgenthau, Cohen, Lehman, Warburg, Kuhn, Kahn, Schiff, Sieff or Solomon was ever born Anglo-Saxon. And it is for this filth that you fight. It is for this filth that you murdered your Empire. It is this filth that elects, selects, your politicians."

**Before you put your faith in Donald Trump, consider this:**

**He is a Jewish puppet like every other candidate**

**He supports Israeli psychopath and terrorist, Bibi Netanyahu.**

He was grand marshal of NYC annual Salute to Israel Parade.  
His organization is filled with Jews in executive positions.  
His daughter Ivanka converted to Judaism (2009) before marrying Jewish media filth, Jared Kushner (owner and publisher of New York Observer).  
His son, Eric married Jewish media filth Lara Yunaska (2014).  
His is very cozy with many Wall Street con men and has even stated that he intends to bring in these Wall Street scumbags if elected president.  
He supported the Jewish Wall Street banking bailout in 2008.  
He's a friend of convicted Jewish pedophile pimp, Jeffrey Epstein.
